## **Principal's Message....**

**Mrs. Meenakshi S. Joshi**

Greetings to all,

This year, the world faced Covid-19 pandemic that literally ripped away people and opportunities from us. Coronavirus has altered our lives including our school system. Let's avoid the negativities and look into positivity. Our homes have become schools and parents have become teachers too. E-learning has emerged as the best way of imparting education.

"Learning process should never cease", keeping this in mind, we started our online classes from April'20 itself. Though the platform was new to everyone but we crossed all the difficulties and moved ahead with our learning, with the motto in our mind "the show must go on". Making this lockdown a meaningful and fruitful one, we did not leave any stone unturned in educating our students.

Resilience is what makes us get back up when we are knocked down, push harder when we are tired.

Through "Inspired Roots" I just wish to convey to children that "curiosity is the wick of candle of learning and wonder is the flame of light." Time has now come children that you all enhance your knowledge. Be aware of global education. School souvenir "Inspired Roots" is one platform where you can express your creativity and develop intelligence and gain knowledge.

I am grateful to all the parents and well -wishers for their priceless support and cooperation at this moment. My sincere advice to the students is not to lose hope. Concentrate on the silver lining amidst the thickest and darkest cloud at present times. We, at M.E.S., hope to see you all soon refreshed and rejuvenated.

## **Save The Planet, Earth**

This is a cause of complete concern across the globe today. The global warming has accelerated the rise of temperature on Earth which is said to have risen by 40 C. There has been very less rainfall in the recent years resulting in the scarcity of food around the world. The death rate due to starvation has increased immensely. We, the human beings are solely responsible for this calamity. We pollute our planet in many ways. Deforestation, industrial pollution, toxic wastes, vehicular pollution and lack of greenery are the chief causes of imbalance in the ecosystem.

The urgent need of the hour is that each one of us takes step to save the planet in every possible way. We should protect our forests, save fuel, plant trees, take care of toxic pollutants, conserve water and change our lifestyle.

Awareness programmes should be launched to make people aware of environmental problems. The public should avoid the use of polythene bags. All of us must strive hard to save our beautiful planet for the future generations.

## **Effects of COVID-19 Pandemic**

It has been almost 16 months we all are suffering due to this COVID-19 pandemic. Life has become very unpredictable. Many people lost their near and dear ones, jobs, savings and a lot more. Life has become so inactive. Our children have faced the most, as this pandemic affected the studies a lot. It seems like reading and writing skills are disappearing.

It is hard for everyone to come out of all this but as a coin has two sides even this pandemic brought a lot of positive things too, biggest of which is Mother Nature got healed to a very large extent. Many people got new opportunities to earn living like; homemade cakes and food got more demand. People are becoming aware of the hazards of junk foods and switching to homemade foods.

The pandemic gave lessons for life, like, health is wealth, being healthy is only what matters. The value of money has decreased.

## **A Virus Occurred In 2019**

And it spreads a Disease COVID-19.  
Invisible enemy attacked on us.  
Discipline and cleanliness, it taught us.  
It gave clean and calm atmosphere to us.  
Lock down was its only dose.  
It has destroyed so many lives.  
Hence, we are at home as bee in hives.  
Online lectures are given by school,  
If somebody gets panic, he should be cool.  
Scientist found out Vaccine for it.  
So, we should appreciate their efforts right.  
Warriors you have given great sacrifice.  
The entire nation is saluting your choice.  
Doctors, Police, Teachers and Nurses.  
We will remember your sacrifices.  
Mask and Sanitizer are important as a wheel of car.  
The end of COVID-19 is not so far.  
Young, Old or may be Teen  
We have to kill the COVID Nineteen.  
It may have hidden now in the atmosphere.  
So, we have to take more care.  
We the humans have reached on moon.  
So, we are sure that we will finish it soon.

### **NEVER GIVE UP IN YOUR LIFE**

Life will change soon.  
It will leave you alone,  
But never give up,

Or never be mad at yourself,  
Life will change itself.

## **A Man Who Always Boasted Himself**

A man came back from a tour and boasted about his adventurous journey. He talked about the people he met and his amazing feats that got him fame and praise from people everywhere. He went on to say that he went to the Rhodes where he had leaped to such distances that no man could ever match his feat.

He even went on to say that there were witnesses who would vouch for his words. Hearing the man boast so much, a smart bystander said, "Oh good man, we do not need any witnesses to believe your words. Imagine this place to be Rhodes and leap for us". The lying traveller didn't know what to do and went away quietly. So, don't deceive people with your lies.

## **Time is valuable**

Anthony was a very lazy boy and always used to postpone things. One day his father called him and made him understand the value of time one should always do things on time. Anthony promised his father that he would never postpone things.

One day, he came to know that he had won the first prize in a singing competition that was held the previous month. He was asked to collect the prize the same day. He didn't care and went to collect the prize after one month. But the prize became useless for him, as it was a ticket to a circus show, which was held the previous day.

Anthony learnt a lesson from this incident. Time is important. We should do our work on time.

### कहानी - मीठे चॉकलेट

एक लाड़का था | उसका नाम रोनित था | उसके घर में चार लोग रहते थे | उसके मम्मी-पापा, दादी और वह। वह मीठा खाणे का शौकीन था। उसे मीठा खाना बहुत पसंद था। वह रोज खाणे के बाद एक चॉकलेट खाया करता था। उसकी मम्मी उसे कभी ज्यादा खाणे नहीं देती थी। वह हरदम सोचता रहता था कि अगर मैं एक ही दिन सारे खा जाऊं तो कितना अच्छा होता! ऐसे ही दिन जाते रहैं। एक दिन उसकी मम्मी दोपहर को अपना काम करके सो गई। रोनित ने सोचा कि अभी मम्मी सो गई है तो क्यों ना मैं सारे चॉकलेट खा लूं। उसने जरा सी भी देर ना करते हुए सारे चॉकलेट खा लिए। चॉकलेट खाते ही वह सोने चला गया। जब वह शाम को उठा तब उसका दांत जोरोसे दुखने लगा। उसने अपनी मम्मी को कहां की उसका दांत बहुत ज्यादा दर्द कर रहा है। उसकी मम्मी और पप्पा उसे डॉक्टर के पास लेकर गए। डॉक्टर ने चेक करने पर कहा की इन्हें यह ज्यादा मीठा खाने से हुआ है। आपने इन्हें ज्यादा मीठा क्यों दिया था। उसकी मम्मी बोली मैंने तो उसे ऐसा कुछ नहीं दिया था। तभी रोनित ने कहा कि उसने चॉकलेट खा लिए थे जब मम्मी सो रही थी। डॉक्टर ने उसे कहा, "हमें कभी भी ज़रूरत से ज्यादा मीठा नहीं खाना चाहिए, इससे आपके दांत सड़ सकते हैं, और आपको इंजेक्शन भी लगाना पड़ सकता है।" रोनित को अपनी गलती कि वज़ह से कड़वी दवा लेनी पड़ी। उसे उसकी गलती समझा गई और उसने सबसे माफ़ी भी मांग ली।

इस कहानी से हमें यह सीख मिलती हैं कि हमें कभी ज़रूरत से ज्यादा मीठा नहीं खाना चाहिए।

## \*सूरज को कौन जगाता है ?\*

एक दिन मैंने माँ से पूँछा,

सूरज को कौन जगाता है?

कैसे बिना अलार्म लगाए

सुबह वह उठ जाता है?

यह विचार है अनोखा

मेरी माँ ने यह बोला

कि यह आजाकारी बच्चा है

जो बिना आलस के उठ जाता है।

मैंने फिर पूँछा, उसको कोई रोक भी तो नहीं

वह दिन भर बिना मास्क के चमकता है

माँ यह कौन सा बच्चा है,

जो तारों और चाँद के साथ घुमता है ?

कोई ऑनलाइन क्लास नहीं इसको

फिर वह जल्दी भी तो सो जाता है

वह खाना कहाँ खाता है?

माँ बोली , बेटा वह दिनभर चमकता है,  
रोशनी ही उसका भोजन और हवा ही उसका  
पानी है।

दुनिया को यह पाठ पढ़ाता की  
सुबह उठो और जल्दी सो जाओ  
सूरज ने यह हठ ठानी है।

**गोष्ट-गर्वाचे घर खाली**

टिळक पूर नावाचे एक गाव होते. त्या गावात मीना नावाची एक मुलगी होती. ती मध्यमवर्गीय घरात वाढलेली होती. ती खूप हुशार आणि संस्कारी होती. त्याच गावात रिता नावाची मुलगी सुद्धा राहत होती. मीना आणि रिता खूप छान मैत्रिणी होत्या. रिता चे बाबा खूप मोठे व्यापारी होते, तिला कशाचीच कमी नव्हती. तिला तिच्या मोठ्या घराचा आणि राहणीमानाचा खूप गर्व होता. ती सारखी मीनाला तिच्या बाबांनी आणलेल्या वस्तुं बद्दल सांगायची, मीना कडे काही नसल्यामुळे रीता सारखे तिला टोमणे मारायची. पण मीना समजूतदार असल्यामुळे वाईट वाटून नाही घ्यायची.

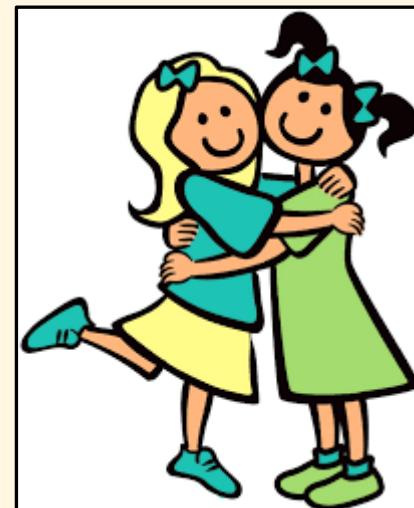

एके दिवशी रीताच्या बाबांना लोन न मिळाल्यामुळे त्यांचा व्यापार ठप्प झाला. रिता ला काही न मिळाल्यामुळे ती खूप दुखी राहायची. तिने मीनाला सर्व सांगितले. मीनाने तिच्या बाबांकडे मदत मागितली, पण तिचे बाबा रिताच्या मीना सोबतच्या वागणुकीमुळे रिताच्या बाबांना मदत करायला तयार नव्हते. रिता मीना च्या घरा बाहेरच उभी असते, ती हे सगळं ऐकून आत येते. ती मीना ची आणि तिच्या बाबांची माफी मागते आणि गर्वाचं घर नेहमीच खाली असतं हे सांगून मदत मागते. मीना चे बाबा मदत करायला तयार होतात. मीनाच्या बाबांनी मदत केल्यामुळे रिताच्या बाबांचा व्यापार परत सुरू होतो. दोन्ही

कुटुंबात खूप छान नाते तयार होते आणि मैत्री वाढते. सर्वजण प्रेमाने राहू लागतात.

तर आज आपल्याला या गोष्टींमधून हे समजतं की कधीही गर्व करू नये नेहमी सोबत मिळवून रहावे.

## पाऊस

मला पाऊस फार आवडतो.  
पहिल्या पावसामध्ये येणारा मातीचा सुगंध खूप  
छान असतो. पावसामध्ये भिजायला फार मजा  
येते. पाऊस असताना ढग आणि विजा, थोडी  
मजा आणि थोडी भिती दाखवणारे असतात.  
सगळ्यांना आवडणारा इंद्रधनुष्य पावसातच  
दिसतो. पाऊस सगळ्यांना आनंद देणारा  
असतो.

## मोर

वनावनात शोभतो मोर  
श्रावण मध्ये खूश असतो मोर  
जेव्हा ऐकतो ढगांचा शोर  
तेव्हा नाच दाखवतो मोर

नाच मोराचा सर्वाना आवडतो  
जेव्हा पंख त्याचे तो पसरवतो  
कुहू कुहू असा आवाज तो करतो  
फिरून फिरून नाच तो दाखवतो.

किती सुंदर पंख आहे पहा  
पंखांवर किती रंग आहे पहा  
रंगात किती ढंग आहे पहा  
नाच मनोहर त्याचा पाहतच रहा

## ऑनलाईन शिकविताना

आम्हालाही सोपे नव्हते  
ऑनलाईन शिकविताना  
खडू आणि फळा सोडून  
मोबाईल मध्ये सामावताना

भरलेल्या पूर्ण वर्गाला  
चाहूलीने शांत पाहताना  
आम्हालाही सोपे नव्हते  
एका किलकने म्यूट करताना

अगदी सगळे रंग मिळाले  
व्हाईटबोर्डवर लिहिताना  
पण, खडूंची सर नाही  
अक्षरांवर अनुस्वार देताना

प्रयत्नांची पराकाष्ठा केली  
विविधांगी ज्ञान देताना  
नवनवीन तंत्रज्ञानाशी  
स्वतःला जुळवून घेताना

वाटत होते कठीण  
झूम वर परीक्षा घेताना  
पण हळूहळू जमून गेले  
तंत्रज्ञानाशी जुळवताना

पण नयनी आस आहे  
शाळा सुरु पाहताना  
चिमुकल्यांची पाऊले  
शाळेकडे वळताना

स्वप्न पाहतो आता  
कोरोना समूळ नष्ट होताना

बंद वर्ग खोल्यांचे दरवाजे  
पुन्हा एकदा उघडताना

## **वाटते काळजी त्यांची** **(About soldiers)**

खूप काळजी वाटते त्यांची  
जे आमची काळजी करतात

खूप काळजी वाटते त्यांची  
जे रात्रीचा दिवस करतात

खूप काळजी वाटते त्यांची  
जे उपाशी राहून लढतात

काळजी त्यांच्या परिवाराची  
जे दाबून ठेवतात डोऱ्यातील अशू

नवरा, मुलगा, बाप दूर जाताना  
आणतात गालावरती खोटे ते हसू

रक्षा करतात सर्वांची ते सिमे कर उभे राहून  
प्राण जरी गेला तरी देत नाहीत कुणालाही आत येऊन

असे ते, लढतात आपल्या साठी  
एकच विनंती करते सर्वांना  
एकदा तरी प्रार्थना करा त्यांच्यासाठी  
एकदा तरी प्रार्थना करा त्यांच्यासाठी....
